

Dear Principal,

We are again compelled to remind institutes that IGNOU has through their notification dated 06th October 2020 indicated that they will NO MORE offer Re-Admission facility after expiry of maximum chances ie. 06 years to complete a 03-year program. This is also in consonance to NCHM&CT's rule No.4.7 on 'duration to clear a course' where maximum six years have been provided for clearing the 03-year BSc in H&HA.

NCHM&CT will conduct End-Term Examinations for Semester's - II, IV/III, VI as per Academic Calendar 2020-21 during May/June 2021. Kindly inform all such students who have re-appear papers in these semester to fill their Exam Forms and register with NCHM/IGNOU and avail the last opportunity to enable them secure a BSc degree. **No further chances will be available thereafter.**

NCHM will also conduct Supplementary Examination for Semester - V date sheet for which is enclosed along with Exam Form.

Please publicize to such candidates to avail the opportunity and re-register with IGNOU/ NCHM during the forthcoming examinations for EVEN Semesters.

Thanking you,

Yours faithfully,

  
18/2/21  
Satvir Singh  
Director (Studies)

Encl: IGNOU notification, Sem-V date sheet and Exam Form (Rs.1000/  
+ @Rs.300/- per paper)
